

## HEALTH AND SAFETY POLICY STATEMENT

The Directors of Axis Maintenance Services Ltd regard the active promotion, maintenance and improvement of health, safety and environmental standards as the means to achieving working conditions which are safe, without risk to health and comply with the relevant Acts of Parliament, the Health and Safety at Work etc. Act 1974 and subsidiary legislation.

The Company recognises that it has a responsibility for the health and safety of operatives, clients, client's representatives and sub-contractors in the workplace and any other persons who may be affected by the Company's activities, whether on or off the premises or worksites or in the immediate vicinity.

Axis Maintenance Services Ltd, will, so far as is reasonable and practicable ensure:

- the provision and maintenance of equipment and systems of work that are both safe and without risk to health,
- arrangements for ensuring safety and absence of risks to health in connection with handling, storage and transport of articles or substances;
- the provision of information, instruction, supervision, and training to ensure the health and safety at work of operatives and others;
- the maintenance of the workplace in a safe and risk free condition and the provision of safe means of access to and exit from the workplace;
- the provision and maintenance of a safe and healthy working environment with adequate welfare facilities and arrangements.

Operatives are expected to actively co-operate and participate in attaining and maintaining these objectives and will receive training to ensure that they can meet the Company's commitment to safe and healthy working.
