

The policy of Axis Services Group LTD is to mechanical and electrical services in line with agreed contract requirements, meeting the expectations of the client, within an agreed budget and resulting in a profit acceptable to the Shareholders.

The Quality Policy of the Company is:

- To establish and maintain a Quality Management System which satisfies the requirements of ISO 9001:2015, and any other Client specific quality requirements.
- To consistently provide products and services in a manner that will satisfy Client requirements in all respects.
- To verify and review the quality of products from suppliers.
- To implement appropriate actions to address any risks and opportunities associated with internal/external issues, and to meet the needs and expectations of interested parties.
- To ensure all Company personnel are fully competent to carry out their assigned task.
- To strive to continually improve our services provided to Clients, using this Quality Policy, quality objectives, performance evaluations including audit results, corrective actions and at Management Review.
- To establish annual quality objectives at strategic and operational levels within the Company, that will be measured and reported upon at the management review meeting.
- To control and continually monitor all projects undertaken.
- To comply as a minimum with all applicable statutory and regulatory requirements.
- To review the Quality management system at planned intervals to ensure it is effective and achieving the stated quality policy.

The Directors are fully committed to the above and actively encourage a similar commitment by personnel at all levels of the Company.

This Quality Policy is evaluated as part of the overall review of the Quality Management System to establish its stated objectives are met.
